Attached are draft new claims 8-13 for your review and comment in connection with our demonstration and interview scheduled for 9a Weds 4/21. I will see you then!

RE the demonstration set up? Is it possible we can use your own computer to set up a conventional internet browse, so we only have to plug in one phone line? and only in one room? If not, that is ok - we will bring cords to plug in the other line in the next office as you suggested. Thanks for arranging this for us!
